Steps for execution :

1. Open the website [Group 26 Python Chatbot (ssnegi23.github.io)].
2. Go through the menu.
3. Start the conversation with the chatbot by clicking on a small icon at the bottom right of the screen.
4. Once the window pops up click on one of the following options to start the conversation .
5. Place your order on the basis of your choice.
6. Once you order the food , exit the chat by saying 'thank you' .
